

ISSUE THREE - APRIL 2010

"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the desert and streams in the wasteland." - Isaiah 43:18-19

New season for Kubala Ministries!

TWENTY-TEN is a new season for Kubala Ministries! We've had an exciting start to the year. Andrew's evangelism training and healing and evangelistic crusades have taken off and have been an amazing success. As a result of churches participating in evangelism training we have experienced a notable increase in the numbers of 'unchurched' people attending church services and crusades. This has led to a significant increase in the number of first time decisions being made. Another highlight

of church services and crusades is the miraculous healing power of God being demonstrated, with incredible testimonies of people leaving the meetings free from sickness and pain.

Janine has been busy speaking at churches and women's conferences throughout Australia and New Zealand. The major theme of her ministry in each place has been the power of God bringing salvation and freedom to minds and emotions.

Janine and Andrew with Ps Phil and Chris Pringle at the Faith Partner Evening.

Faith Partners Event and Kubala Vision launch

On the 18th February we hosted our second Faith Partner Evening and launched the Kubala Ministries Vision for 2010. It was wonderful to have so many friends and partners join with us to celebrate the success of 2009 and dream with us about what God could do in 2010 and beyond. We have been overwhelmed by the support of our partners. It meant so much for us to be able to meet with so many of them personally on the night, especially those partners who had travelled from across Australia to attend.

An exciting part of our vision for 2010 is the launch of our new TV programme

called 'Believe' with Andrew Kubala. This made for TV programme will be shot in front of a live studio audience and will follow the healing experiences of real people on their journey to experiencing God in a whole new way. 'Believe' along with our citywide evangelism training, and healing and evangelistic crusades will form the focus of our vision for 2010.

We were honoured to have as our guests, Ps Phil and Chris Pringle, and Ps Phil as our keynote speaker. Ps Phil encouraged us all to expand our thinking and increase the size of our faith in order build God's kingdom. In his message, Ps Phil spoke

Feb 2010 Faith Partner Supper – Celebrating the past. Launching the future.

about a huge void in the Christian world in the areas of signs and wonders and evangelism, and saw the role of Kubala Ministries as filling this gap to demonstrate the power of God to a new generation.

We are filled with expectation for 2010 as it is shaping up to be a busy and fruitful year. One of our greatest joys in ministry is the connection it brings with people who share the same vision. Each Faith Partner Supper we are reminded of how blessed we are to have incredible partners who believe with us.

BelieveTV

Drew McPherson is an award-winning Producer and the Director of Montage Studios. The following is an excerpt from his speech delivered at the Faith Partner Evening in February.

Get ready to shift the concept of Christian television. Get ready to make a difference. Get ready to Believe.

From my media experience, the concept of 'Believe' is one of the most exciting possibilities for Christian TV. Television is presented in a very different format these days. We are connecting with an audience who are much more savvy and because of this these audiences are choosing reality TV over drama and other formats.

Reality Television gives the viewer the opportunity to go on a journey with the camera man, step over to the other side, and be a part of someone else's reality. The amazing concept behind reality TV is that we see ordinary, every day people in extreme or exciting situations, giving the viewer an inside look into these people's struggles and triumphs. The viewer sees themselves in their shoes and lives the journey alongside them. This reality concept is a perfect opportunity to showcase and demonstrate the alive, real, power of God in everyday life.

The idea of the show is to present prayer, the power of healing, and words of knowledge in a television studio setting with a live audience. All of the focus will be on seeing the power of God change people's lives. We will follow the lives of people who may be sick, hurting, and desperate for a miracle before they get prayed for and then interview them immediately afterwards. Hearing the story of the person as they are experiencing the 'hand of God' and seeing the supernatural at the same time will be very powerful and convincing demonstration of the reality of God. With Andrew Kubala's relaxed and humorous approach to the supernatural, we will have the ability to change perceptions about healing and miracles, and bring many more people to a place where they want to learn more about the power of God.

Drew McPherson

Become a part of 'Believe'! Live recording on Monday 10th May 2010

GIVE | Financially support 'Believe'. We rely on the generosity of our partners. Please consider supporting this exciting new initiative. Go to www.KubalaMinistries.org for online giving options.

JOIN THE LIVE AUDIENCE | We would love for you to be a part of our live studio audience. If you have friends or family who are sick or in need of healing please bring them with you to experience the healing power of God! Register at: www.BelieveTV.com.au or audience@BelieveTV.com.au

PRAY | Please pray with us that people will be touched by God's healing power; that they will have a life changing encounter with God, and that everything will go smoothly on the 10th of May so that a new generation will 'believe'.

Dear Faith Partners,

It's a pleasure to meet you!

Please allow me to introduce myself as the new Business Manager for Kubala Ministries. Having started at the beginning of February, I haven't yet had the chance to meet all of you but I'd love for you to feel free to contact me if you have any questions that I can assist you with.

I'm looking forward to seeing what God will do with Kubala Ministries as we faithfully serve him and give to a cause that cannot be shaken: The Kingdom of God.

Warm regards,

Andrew Castle,
Business Manager

Hello Faith Partners,

What an incredible journey this has been so far! Leaving my 12 year career in business, flying to the other side of the world, serving in this ministry, and going back to college, was no small decision.

Because I followed God's call, He has been so faithful to me! He is providing for me in every way. I am meeting so many amazing people and learning so much serving Kubala Ministries. God has a plan and I am humbled to see a glimpse of what He will do in this ministry. I am so honoured to be a part of this team!

I look forward to serving you in any way I can.

Kind regards,

Heather Hetzendorfer
Administrative Assistant

Congratulations **LAUREN!**

Lauren Parnell, has been with Andrew and Janine from the very beginning, helping them to get Kubala Ministries off the ground. On the 12th of February, Lauren married Jonny Higgins and is now at the beginning of another journey. Congratulations Lauren and Jonny! We love you!

Congratulations, The Cause Community Church, on 5 incredible years of changing lives in Brea, California. Thank you for partnering with Kubala Ministries!

In 2005, with only 50 people, The Cause Community Church was birthed. What began at the home of Ps Bob and Sherry Reeve, the founding pastors, quickly grew to a 200-300 person movie theatre in Brea, California. With popcorn offering buckets circling the rows for 5 years, each Sunday, the church faithfully filled them up longing for their future building. But, waiting and hoping was not what they did.

After 3 live worship recordings; church out-reaches touching over 10,000 lives in the surrounding cities of Orange County; mission trips and church planting to the Dominican Republic, Africa and China, The Cause Community

Church has taken their calling by storm. Then, on February 8th, 2009, after 5 years of receiving a prophecy that the church would be a beacon to the world, The Cause stepped into their new church building, on 950 Beacon Street. Now with 2,000 people in attendance, 3 main services, and children, youth and young adult services, appropriately called The Movement, The Cause is ready to launch this new decade for Christ!

From the heart of founding Pastor, Ps. Bob Reeve: "God has positioned us at this time, in this specific season to provide leadership and revelation to a world in need. The prevalent awareness

of my soul is that we are about to see incredible events and occurrences, and we are exactly where God wants us to be...ready to make a difference.

As one plaque on a cathedral in Europe states, "This church was built to do the best of things in the darkest of times," so we too will participate in the breakthrough work of God. The Cause is no work of man, no creation of the flesh; it is the work of the Spirit. A divinely ordained movement birthed to love our communities, care for the lonely, comfort the grieved, and bring healing to the bruised and broken, the afflicted and downtrodden."

Testimonies of healing

I was healed on Saturday night! Ps Andrew called forward someone with Scoliosis, which I was diagnosed with at the age of 15. I also had Schuermans Disease and have learned to live with pain. Since my healing I have had no pain and cannot thank God enough for the change I've had in my body and in my heart. I pray that you will be blessed greatly for all that you do for the kingdom of God!

Cathy, Sunshine Coast

For the past 10 years my life has been a blur of weight obsession, nicotine addiction and one night stands. I gave my heart to Jesus when I heard you share your story, but it has taken a bit longer for me to give Him the rest of myself. I read your book and listened to your CD and it has changed the way I think and speak about myself. I haven't had a cigarette, or made myself sick in 4 months. I am still worried that I will pack on the weight but I'm choosing to trust in God!

Julie, Sydney

I was in a very dark place and on a road of destruction. I was plagued with self hate, struggled with an eating disorder and suffered depression. I had lost my faith in God completely. I knew I had to do something or I would have either ended up dead or in a psychiatric hospital. I listened to your CD series 'The Pathway to Freedom' and it gave me the strength to put the past behind me and to look to God for guidance. I am now free! Thank you from the bottom of my heart. You have changed my life and restored my faith in the Lord.

Maddy, Townsville
