

WELCOME FROM PS ANDREW

What an incredible start we've had to the year. Janine and I are so excited by what God has been doing. God gave us a scripture at the start of this year from the book of Revelation

'The Spirit and the Bride say' Come!', And let him who hears say, 'Come!' Whoever is thirsty, let him come, and whoever wishes, let him take the free gift of the water of life.'

Revelation 22:17

The cry of God's heart is that all people find Him and come into an eternal relationship with Him. This is the call Janine and I have given our lives to and our vision is the outworking of this call through evangelism and the demonstration of Gods power in a way that will compel people to 'Come!'

This year we will build upon the foundation we have established in working together with local churches to empower Christians in evangelism, and to mobilise the church through evangelism training and healing seminars. We will also continue our 'Believe Tours' in Australia, New Zealand and Asia.

It was a thrill for us to premier the pilot episode of our healing TV show 'Believe with Andrew Kubala' at the beginning of April. A major focus for this year is to get a series of episodes into production and ready to air.

We are excited that you are partnering with us in this vision. Your prayers and support are making a huge difference. It is because of your generosity that thousands of people are making decisions for Christ each year. Please keep in touch with us, we pray for you regularly and love hearing from you.

Yours in Christ
Andrew Kubala

FAITH PARTNER EVENING

Our Faith Partner Evening on the 1st of April was a wonderful opportunity to meet with many of our partners and friends to celebrate an incredible year for Kubala Ministries in 2010, and to launch the vision for 2011.

One of the highlights of the evening was the premier of the pilot episode of our new reality TV series on healing 'Believe with Andrew Kubala'. The pilot episode was well received and there was an increasing sense of expectation and

excitement amongst those gathered as the stories of healing unfolded. Ps Andrew was thrilled to announce that there is significant interest from Australian TV networks in screening the show, and that the next step in the process is to obtain funding to produce the series.

We were honoured to have so many of our Faith Partners from around Australia and even abroad gathered together to celebrate with us. We were

BELIEVE CAMBODIA

In March of this year Andrew and I returned to Cambodia as part of a team lead by Ps Claude and Carolyn Carello from C3 Rockingham. We were excited to be partnering once again with Ps Jesse McCaul and New Life Church in Phnom Penh to hold evangelistic and healing crusades in the villages and run leadership training events for local pastors.

Over the course of the week there were 3,500 decisions for Christ, and some amazing miracles of healing. Andrew prayed for an elderly woman who was carried in on a chair and unable to walk, but after prayer walked away from the meeting completely unaided. There were many in the crowd who were very skeptical initially and unresponsive to the gospel, but when they saw so many people receiving healing and the undeniable demonstration of God's power, the altar was filled with people choosing to follow Christ.

It was Andrew's first time preaching the gospel in a place where it had never been presented before, and the opportunity to talk about Jesus and to demonstrate His power in that environment impacted him powerfully. When Andrew walked off the stage he said that he felt his 'spirit come alive' and that he was 're-energised' to continue the ministry God has called us to. It is an honour to preach the Gospel and the blessing we receive from presenting it is always so much greater than we have given out.

INTRODUCING OUR NEW INTERNS FOR 2011

Andrew and I are excited to have Gerard and Brooke Schultz join our team this year. Gerard and Brooke are both big capacity people, studying at C3 College and running their own business as well as completing the Kubala Ministries Internship. We think they are amazing, and we are looking forward to working with them over the course of the year.

It is wonderful to have Heather with us again to complete the second year of her Internship. Heather will be working with our Faith Partners this year so please keep in touch with her, she loves hearing from you!

'We came to C3 College together knowing God had called us to train for ministry. We had started our own business a few years before knowing that God was going to use that to support us while we trained. We heard Ps Andrew speak about evangelism in one of our classes, and we were so impacted by his vision we knew we had to be a part of it. We desperately want to see God's miraculous hand change peoples lives. We are now so excited to be a part of the team!'

STORIES OF HEALING

'MANY PEOPLE BELIEVED IN HIS NAME WHEN THEY SAW THE SIGNS WHICH HE DID.'

JOHN 2:23

'When you prayed for me I felt a real wave of God spread all over me. I have been recovering from a serious car accident and I was just overcome with Gods presence. Thank you very much for this power that has changed my life.'

Sheila

'My husband was thrilled to have his scoliosis healed! Glory to God!'

Shannon

'God healed my back through your prayers last night. I had almost lost my faith in God through a traumatic experience, but now I know that God is real. Thank you!'

Ingrid

'For years I have battled anorexia nervosa and have been in and out of hospitals. I started cutting myself and then a few years ago attempted suicide. I am covered in scars inside and out. I heard you share your story and found out that God loved me unconditionally, and it was amazing! You picked me out of the crowd and gave me your book and told me that God loved me and that I was beautiful. I couldn't believe it! Everything changed. I haven't been in hospital for over 9 months. Thank you for giving me hope!'

Michelle

I had lived with pain for 15 years. When Ps Andrew prayed for me I was of healed Scoliosis and Schuermans Disease and ever since I have had no pain.

Cathy

For a long time I have struggled with feelings of self loathing and not wanting to live. As a Christian I know that this is wrong but I was beginning to loose hope. When I heard you share your story I felt relief from the shame I have carried and hope came into my heart again. Thank you!
