

It's that time again! Another year has almost past and a new one is fast approaching. We have well and truly entered into 'The Festive Season' when end of year deadlines collide with New Year planning and the demands of Christmas functions and preparations place even greater pressure on our time and resources. I love this time of year but I am finding that increasingly Christmas has become the season to be busy!

As the pressure increases it can sometimes feel like the walls are closing in and we begin to operate on autopilot. We check off our exhaustive lists of tasks to be completed and functions to be attended

without actually stopping to enjoy the moment or connect with the Spirit of this amazing season. Which at its foundation remains a celebration of the birth of Christ and the delivery of salvation to the earth.

On the weekend Andrew and I set aside some time to decorate our Christmas tree with the boys and put on Christmas carols. The first carol that played was one of my favourites, 'O, Come all Ye Faithful'. Hearing the words of this old song I was reminded that God's unchanging message to all mankind is for us to 'Come' to Him. The reason we celebrate Christmas is because when we were unable to come to God, God came to us. Two thousand

years ago Jesus Christ was born and now because of Jesus there is nothing that can stop us from coming to God.

In the midst of all of the craziness and festivities it's worth pausing for a moment to come into God's presence and to remember the reason we are celebrating. What an honour it is to deliver the message of God's love for us and the power of salvation. Thank you for partnering with us in delivering this message around the world. Have a wonderful Christmas celebrating with family and friends We love you and we are believing with you for an incredible 2012!

With Love Andrew and Janine xxx

BELIEVE TOUR

In the last quarter of the year we had the amazing privilege to run Believe Tours in 4 major cities, Wollongong, Gold Coast, Melbourne and Sydney.

The focus of our Believe tours is an evangelistic outreach connecting people to God through the demonstration of His healing power.

In each city, it was great to see so many people come to Christ and we saw many powerful healings. It was thrilling to see each night build with expectation and faith.

Over the tour we ministered to 3,500 people and over 320 people gave their life to Christ.

One amazing testimony was from a lady in Melbourne who was at church for the very first time. She came forward on the healing altar call, but did not respond to the salvation altar call. She witnessed another person being healed from a severe hip and back problem and was the next person Ps Andrew called out to be prayed for on stage. This beautiful woman in her mid 60's received healing from her back and leg pain and then

prayed a salvation prayer and accepted Christ, receiving healing and salvation at the same time.

Thank you to all those who prayed and supported the Believe tours, it really makes a huge difference knowing that there are those that are interceding and fighting the fight that we cannot see.

We're excited about next year's Believe tours and seeing God move powerfully again.

KUALA LUMPUR, MALAYSIA

In August Ps Andrew and Janine travelled to Malaysia to minister at C3 churches in Kuala Lumpur and attend the C3 Global Conference.

Ps Joe and Stella Ramayah have established a number of significant churches in the capital city and are continuing to plant new churches and campuses throughout Kuala Lumpur.

Ps Andrew met with the leadership teams from C3 Klang and C3 Kuala Lumpur to train them in healing and evangelism. He also ministered at their Saturday and Sunday services. There were over 100 decisions for Christ on the altar calls, and many were first time responses. It was very encouraging to see the hunger for God among in the people who attended.

Ps Andrew and Janine were also thrilled to minister at C3 Subang, a church planted by Ps Clarence and Debbie Shashi who completed Kubala Ministries Internships in 2009. In the six months that they have been running God has delivered amazing miracles of provision in their church building and facilities and on the evening Ps Andrew ministered there were 120 people in attendance. 25 people made decisions for Christ in this service and Ps Andrew spent a lot of time praying for miracles of healing.

One of the first people he prayed for was a young man who was a well known athlete and potential Olympic runner but had been unable to compete due to a knee injury. He was immediately and miraculously healed. It was an incredible moment of breakthrough as he could not contain his excitement and began jumping and running around the building. This shifted the meeting into a new level of faith and expectation and many people received healing from deafness, arthritis, migraine's and neck and back pain.

One of the highlights of this trip was the C3 Global conference with over 3,000 people in attendance representing C3 churches from all around the world. The last night of the conference was 'Love Kuala Lumpur' an evangelistic meeting open to the public with free rides and entertainment. Ps Andrew presented the gospel and delivered a salvation altar call in this meeting and over 100 people responded and made decisions for Christ. On the salvation altar call, Ps Andrew prayed for a man who was on crutches with a broken ankle. The man gave his crutches away and began to walk! It was an amazing moment to be part of, seeing God deliver salvation and healing in the same instant.

MINISTRY IN THE NETHERLANDS AND THE UNITED KINGDOM

Ps Andrew and Janine travelled to Europe in November to minister in the Netherlands and the United Kingdom. It was amazing to see what God has done in the space of a year since they were there last. God is doing incredible things through the church in the Netherlands. Religion and tradition have had a strong influence over people's view and experience of God and it is very encouraging to see churches that are full, vibrant and growing and people with a hunger for the reality of God.

Ps Andrew and Janine ministered in Amsterdam, Arnhem and Enschede for Ps Steve and Lizby Warren. Ps Andrew met with the leadership teams from all campuses and spoke with them about healing and moving in the supernatural. Ps Andrew and Janine saw over 100 people make decisions for Christ in the Sunday services and a number of people received healing. Ps Steve and Lizby are doing an amazing job and are seeing incredible growth in all of their campuses. It's an exciting time for the church in the Netherlands!

The following weekend Ps Andrew and Janine ministered at C3 Cheltenham in England. Ps Ali Bates and the team have recently moved into their own building which is located right in the centre of Cheltenham and surrounded by houses. The new facilities are providing an amazing opportunity for outreach into the community and are in constant use throughout the week. Ps Andrew ministered at the Sunday services and ran a seminar on Moving in the Miraculous which was well attended.

TESTIMONIES

Dear Ps Andrew

I have spent years under going treatment & surgery for my back problems. For lack of a definite diagnosis doctors have concluded I have poly-arthritis & fibromyalgia, which has bought on further injuries and illnesses as a result of inappropriate diagnosis and treatment. I was told I would never be completely well or injury free. I have lived with such agony I have often wished for my life to end to stop the suffering.

On Sunday I decided to go to church. I heard you preach and I was saved in the morning and then you prayed for me that night and my back and the upper body of my left side were healed. The biggest miracle that day was that I met God. Thank you for the work you are doing and for the gift of life and healing in my soul you have bestowed upon me.

Nancy, Sydney

Dear Janine

Thank you for praying for me. I had constant ringing in my ears and now I am healed. I am determined to stay healed in Jesus name. You have been such a great inspiration to me.

Sam, Melbourne

My niece has two forms of aggressive cancer and as a result had both legs and all her fingers amputated a few months ago. A few weeks ago Ps Andrew prayed with me that she would be healed. We received the PET scan results yesterday and she is cancer free. It is gone.

The tumour in her chest was 23 cm big when she started radiation. It has completely vanished. And she doesn't require any further treatment. Our God is an awesome God. Thank you for believing with me for her miracle.

Joy, Sydney

For 30 years, since my time in the army I have suffered with tinnitus, this constant ringing in my ears from all the shooting in the war. Ps Janine called me out and prayed for me. The prayer was so powerful. It was like nothing I had ever felt before, this amazing heat welled up inside my head and I had the most incredible feeling of calm. It was one of those moments in one's life that one is truly privileged to experience.

Tim, Perth

Dear Janine

Thank you for praying for me. I was in a very sad state in the early days of my ovarian cancer diagnosis and I appreciate you caring. I wanted to let you know that God has completely healed me of Stage 4 ovarian cancer. My ovaries were removed and all they found was a shriveled up tumor on one of them. It has (also) gone from being in the lymph nodes in my chest to nothing at all in under 3 months! A miracle, even the surgeon said so. I'm writing a book about it all and will send you a copy. Thank you again!

Deanna, Victoria

Please send us your testimonies of healing and breakthrough to info@kubalaministries.org We love hearing from you!

COMPLETE AN INTERNSHIP WITH KUBALA MINISTRIES

Each year we have an opportunity for a limited number of interns to join the team at Kubala Ministries in our Sydney office and receive hands on experience in evangelism and healing. An important part of our vision is to raise up more evangelists to expand and extend the reach of the gospel. Applications are now open for the February 2012 intake. If you would like to receive more information about the internship programme or an application form please contact us on info@kubalaministries.org
